Subject: Coppin State College Parking Garage PM2.5 Analysis

---

Good Morning Everyone:

Attached is the copy of the PM2.5 Analysis for the Coppin State College Parking Garage which was prepared by the college. Coppin State College held a Community Briefing on January 13, 2009 which provided the surrounding communities in formation on the University's Facilities Master Plan and the Campus Expansion which included the parking garage. Due to the scope of the project, a Categorical Exclusion will be prepared.

Please review the attached analysis and provide your comments by September 23, 2009. If you have any questions, please contact me 410-545-8566 or via email at [ggreen@sha.state.md.us](mailto:ggreen@sha.state.md.us)<mailto:ggreen@sha.state.md.us>.

Thank you very much in this matter!
