Field Based "Block" Methods Courses*

Candidates may take 12 Early Childhood methods credits in Reading, Language Arts, Science, and Social Studies at a public school site at the discretion of the Chairperson. Students must take **ECED 329** Principles and Practicum in Early Childhood as a prerequisite to the "Block". Students must register for all courses (12 credits) in the "Block".

* Successful completion of Praxis I is required to enroll in all methods courses.

¹ Gateway course in which the Phase I: Admission to Teacher Education Portfolio is completed.

² Recommended courses to prepare for Praxis I and II. These courses are no longer program requirements.

³ Candidates must complete the Phase II: Admission to Student Teaching Portfolio during enrollment in methods courses.

⁴ Candidates will complete Phase III: Exit from the Program Portfolio in order to meet all program requirements for the conferring of the Bachelor of Science Degree.
