INCLUDING INTERNATIONAL EXPERIENCE ON YOUR COVER LETTER

- Briefly describe the skills and experiences gained from international experience and how those skills are transferable to the position you are applying for.
- Do NOT simply repeat your resume.
- Highlight experiences from overseas that will make the potential employer want to know more about you.
- Indicate how your experience makes you the ideal candidate.

COVER LETTER EXAMPLES

- Through studying abroad in Spain, I gained an appreciation of diversity and was inspired by the Spanish art and culture.
- I am excited about the opportunity to work for a company with strong international presence, such as Nokia, as I will bring to this position my previous experience developing marketing plans, my skills in providing innovative presentations and my international experiences in understanding the cultural differences that influence consumers in different countries.
- While living and studying in Spain, I had the opportunity to volunteer as a tutor for Spanish speaking children to help improve their English speaking and reading skills. Through this opportunity I learned to communicate and interact effectively with people from diverse backgrounds. I also gained sensitivity for other cultural norms and values and learned to adapt quickly. I believe these skills will be beneficial in working with children at Rosemont Elementary School.

INCLUDING INTERNATIONAL EXPERIENCE IN INTERVIEWS

- ☆ Your opportunity to share information regarding skills/experience/personality and how these fit the needs of the company.
- ☆ Highlight how skills/experiences gained overseas will add value to the employer and enhance your job performance.
- ☆ Remember, your international experience is a great way to distinguish yourself from other job candidates! Be sure to emphasize your skills are necessary in the ever increasing global economy and are transferable to any job.
- ☆ Remember, while this experience is important, it should not be your only point of reference.

Why did you decide to study abroad?

What did you learn while overseas that will help you do this job successfully?

What did you accomplish during your study abroad experience that you are most proud of?

What was the most challenging aspect of studying abroad? How did you overcome that challenge?
