

MAXIE COLLIER SCHOLARS PROGRAM

APPLICANTS' AGREEMENT

TIME COMMITMENT:

Students new to the Maxie Collier Scholars Program are required to spend a minimum of two years as Scholars prior to graduating from Coppin State University. This gives the Advisory Board, Mentors, Coordinator, and Program Director the necessary time to assist and prepare students for graduate school.

MENTAL HEALTH CAREER COMMITMENT:

As a Maxie Collier Scholar, I understand that I am expected to attend graduate school, and pursue a mental health career in the public sector.

INTERNSHIP:

I understand that I am expected to complete an internship in mental health by the end of the first semester of my senior year. Any exception to completing this requirement must be approved in advance by the Coordinator of the Program, the Program's Director, and the Mental Hygiene Administration. Failure to satisfy this requirement as stipulated will disqualify me as a Scholar, and forfeit my entitlement to Maxie Collier Scholarship funds.
