## INTRODUCTION

Welcome to Coppin State University! The student handbook was designed by the Division of Student Life staff to assist you in your passage to the University experience. Please begin to familiarize yourself with the very important information provided. Keep it handy as a reference throughout the year.

Our objectives in selecting the specific content were threefold:

1. To provide helpful hints and to answer questions about the institution.
2. To familiarize students with the rights, rules and responsibilities of being Coppinites.
3. To assist students in recognizing and understanding student services, identifying key personnel and locating campus departments.
4. To aid students in the development of time management skills via  
a personal/academic information planner.

### Division of Student Life

Dear New Student:

Congratulations on your wise choice of a college! You undoubtedly had many opportunities to select another college or university. Your selection of Coppin was, perhaps in part, motivated by our location in the Baltimore metropolitan area, the size of the University, our attractive campus, and the exciting curricular choices available. Since each reason is true, you have indeed selected well.

Our urban location permits easy access to the stimulating cultural and social offerings of Baltimore, our size encourages close student-faculty relationships, the lovely campus both lifts the spirit and provides an environment conducive to learning, and our academic programs provide a range challenging enough to prepare any conscientious student sufficiently for a career immediately or entry into graduate and professional schools.

This handbook is designed to answer your questions and to help you find solutions to your problems which will lead you to a successful college experience.

In compiling this book, the committee has tried to be as inclusive as possible. Unfortunately, in a University, whose organizations and services change from time to time, all inclusiveness is nearly impossible to achieve. We offer our apologies to those organizations and services which may have been accidentally omitted and urge students to keep abreast of college current events.

If you need "help" or have a question beyond this, please do not hesitate to contact any of us in Student Life. My office is located in the Tawes College Center. My door is always open to you.

Sincerely,

Earl H. Jenkins  
Vice President for Student Life

Coppin State University applies its resources to meet societal needs, especially those of Baltimore City, wherever those applications mesh well with its academic programs.

### **EQUAL OPPORTUNITY**

Coppin State University, as an Equal Opportunity/Affirmative Action employer, complies with applicable federal and state laws prohibiting discrimination, including Title IX of the Education Amendment of 1972 (sex discrimination) and Section 504 of the Rehabilitation Act of 1973 (discrimination against the handicapped). It is the policy of Coppin State University that no person, on the basis of race, sex, color, religion, national origin, age, marital status, handicap, or veteran status, shall be discriminated against in employment, educational programs, activities, admissions, or financial aid.

## **PRIVACY RIGHTS OF STUDENTS**

The Family Educational Rights and Privacy Act (**FERPA**) afford students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College/University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College/University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College/University official to whom the request was submitted, the official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading.

Students may ask the College/University to amend a record that they believe is inaccurate or misleading. They should write the College/University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College/University decides not to amend the record as requested by the student, the College/University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College/University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College/University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

**(Optional)** Upon request, the College/University discloses education records without consent to officials of another school in which a student seeks or intends to enroll. (NOTE: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.)

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by State College/University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue, S.W.  
Washington, DC 20202-4605**

In compliance with the provisions of Section 504 of the Rehabilitation Act of 1973, Coppin State University is committed to the policy of nondiscrimination of students and employees on the basis of handicap.

The institution does not discriminate in the recruitment, admission, or general treatment of students because of handicapping conditions. While admission inquiries are not permitted in regard to handicapping conditions, voluntary information by such students in advance of enrollment would enable the University to better provide necessary services. Coppin is determined to insure accessibility of programs and activities to handicapped students by selecting and administering tests in a way that physical impairments will not distort the results in respect to aptitude or achievement level and by providing or informing the students of available sources of auxiliary aids needed for academic performance. If necessary, modification of academic regulations will be made to further insure full education requirements, whereby permitting a student, and extending the time for such students to complete a certificate or degree program.

Coppin State University further affirms that it will not refuse to hire or promote qualified handicapped persons and will make reasonable accommodations to such disabilities, if needed. Pre-employment physical examinations will not be permitted unless required of all applicants nor will inquiries about the handicapping condition be permitted unless it is specifically related to the individual's ability to perform the job to which he or she is to be assigned.

Any disabled student or employee at Coppin State University who feels his or her rights under Section 504 have been violated, may register a formal complaint with the University's Affirmative Action Officer, located in the Department of Human Resources at 410-951-3666.

The Officer, in turn, will submit such complaint, with his/her observations for consideration, to the Committee for Handicapped Students and Staff which monitors the College's compliance with the federal regulations concerning the handicapped.

The mission of Freshman and Undeclared Major Advisement is to provide quality advisement to students in an effort to assist the University with its retention and graduation goals. The ultimate goal is to assist students in identifying academic goals and developing techniques that will lead to personal and educational achievements.

If you are a freshman or an undeclared major and have not been assigned an advisor, contact the office at 410-951-3555. The Office of Freshman and Undeclared Major Advisement is located on the first floor of the Miles W. Connor Administration Building. Hours: Monday, Tuesday, Thursday - 8:30 a.m. 5:30 p.m., Wednesday, 8:30 a.m. - 8:00 p.m., Friday, 8:30 a.m. 3:00 p.m.

## **DECLARATION OF MAJOR**

Declaring a major is to officially choose the course of study which you would like to pursue. Admission to the University is not automatic admission to a major program. Each major department interviews and accepts its own students. Students are required to complete any necessary remedial courses and at least twelve (12) credits of college level work before declaring a major. All degree-seeking students must officially declare a major by the time they have accumulated thirty-two (32) credits toward graduation.

Students who are eligible to declare a major should report to the Freshman and Undeclared Major Advisement Office to obtain a Declaration of Major Form, an official transcript from the Records Office, make an appointment to see the appropriate department chairperson, obtain acceptance in the major, and return the completed form to the Undeclared Major Advisement Office.

## **FULL-TIME STATUS**

Students are encouraged to take at least fifteen (15) credit hours. Full-time

status for undergraduate students is earned by taking twelve (12) or more credit hours per semester. Graduate students who carry nine (9) or more credit hours are full-time.

### **PART-TIME STATUS**

Students taking less than twelve (12) credit hours are part-time. Graduate students who carry less than nine (9) credits are also considered part-time.

## **STUDENT ACADEMIC DUE PROCESS**

### **PURPOSE**

Academic due process at Coppin State University ensures the protection of the rights of all students in **academic matters**. The objective of the academic due process is to provide a channel for students to air grievances. Contact the Division of Academic Affairs for information at 410-951-3010.

### **ACADEMIC GRIEVANCE**

A grievance is any legitimate complaint or dissatisfaction expressed by the student in connection with his or her academic studies. Such grievances could include disputes about evaluation of scholarship, suspension or dismissal from an academic major or from the University for reasons that are not disciplinary in nature.

### **INITIATING AN ACADEMIC GRIEVANCE**

The student who believes he or she has a legitimate complaint must initiate the grievance within fifteen (15) school days of learning the basis of the grievance.

### **STEPS OF THE PROCESS**

1. **Instructor:** The student who has a grievance will arrange a meeting with the instructor involved to resolve the matter.
2. **Department Chairperson/Team Coordinator:**
  - A. If the student believes that his or her academic complaint has not been justly resolved, the student will arrange to meet with

the department chairperson (or team coordinator in Nursing) within five (5) school days following his or her meeting with the instructor.

- B. Following the meeting with the student or meeting with the instructor or both, the department chairperson/team coordinator will issue a decision on the grievance to all parties involved within ten (10) days.

### 3. **Provost/Vice President for Academic Affairs/Division Dean:**

If the student is not satisfied with the outcome of his or her grievance matter at the departmental level, he or she can file a written appeal with supporting documentation to the Division Dean and the Provost/Vice President for Academic Affairs within five (5) school days following the notification of the decision of the departmental chairperson or team coordinator. The Provost/Vice President for Academic Affairs, in committee with the Dean of the specific division, will issue a decision on the appeal to all parties involved within ten (10) school days of receipt of the appeal.

### 4. **President of the University:**

If the student believes that his or her grievance was not satisfactorily resolved, the student may file an appeal, in writing, with the President of the University within five (5) school days following the notification of the decision of the Provost/Vice President for Academic Affairs/Division Dean. The President shall approve or disapprove this decision within fifteen (15) days, and the decision of the President shall be final.

### **ACADEMIC DISMISSAL**

Refer to University catalog.

### **REGISTRATION**

Registration is the process requiring students to devise a course schedule for a new academic semester. Students may register during the open registration sessions during the semester or the arena registration periods before the beginning of classes. The registration dates are printed in the

Schedule Booklet and on the Web. Students may complete the registration process in two ways, in-person or on-line. Students must report to the Office of Records and Registration to complete the in-person registration process. To register on-line, students must obtain their advisor codes from their assigned advisor each semester. Please note that the student is responsible for payment of tuition and fee charges for the courses in which he/she is admitted, regardless of whether he/she attends the course(s). Students must complete and sign an official drop form at the Office of Records and Registration before the official start date of classes to avoid being charged full tuition and fees.

### **DROPPING AND ADDING COURSES**

Students who wish to add or delete a course from his/her initial registration can do so on-line during the registration session or at arena registration during the designated period by completing a Schedule Change Form. Students who plan to drop all courses before the Official Start date of a semester must use a Schedule Change Form. The final date for the add-drop period and the Official Start date are printed in the Schedule Booklet and on the Web each semester. Students who drop all classes before the Official Start date of the semester will not be charged tuition and fee charges for the semester. Students who register for a full-time schedule and who drop courses such that after the beginning of classes they have a part-time schedule, are not entitled to a charge reduction based on credit-hour charges.

### **REGISTRATION**

Registration is designed for currently enrolled students. It provides an opportunity for course selection prior to the regular registration process.

### **TRANSCRIPT OF ACADEMIC RECORD**

The transcript is an official record of your college career. All of the courses you have taken each semester are listed. The grade you received for each course and your current and cumulative grade point averages (GPA).

The Office of Records and Registration requires at least one week's notice to issue a transcript. Regular transcript service is free. The charge for emergency request is ten dollars (\$10.00). Transcripts cannot be issued if you owe money to the College.

### **GRADING SYSTEM**

The grade of "A" designates work of superior quality, "B" work of good quality, "C" work of satisfactory quality, "D" work of less than satisfactory quality, but allowable for credit in electives but not major courses, and "PT" credit by examination. The grade of "F" designates failing quality.

The grade of "PS" is given to students who, at the end of the semester, have satisfactorily completed all requirements for certain courses. A grade of "CS" is given to students who have not satisfactorily completed all requirements for certain courses by the end of the semester. Students who receive a "CS" require continuing study and must register again for the course in the next regular semester. The "AU" grade, which has no grade value, is given to auditing students only.

### **AUDITING**

A student may audit certain courses and students must pay the appropriate fee and obtain the instructors consent. Students auditing a course may not take the final examination or receive credit unless the course is later repeated for credit. A record is maintained in the Office of Records of all students auditing courses.

### **NR - NO GRADE**

NR is a symbol used by the Registrar for instructors who turn in final grade rosters past due date and are too late for computer processing.

### **I - INCOMPLETE**

An instructor, under extenuating circumstances, may submit a grade of "I" for students who have failed to complete one or more requirements of a course by the end of the semester. Students are allowed one semester following the one in which the "I" is incurred (not including the summer session) to complete the work and remove the incomplete grade.

### **CHANGE OF GRADE**

An instructor may change a grade already submitted to the Office of Records and Registration only after approval by the department head and the division dean. A grade change, along with a written justification, must be submitted no later than four weeks into the semester after the semester in which the grade was originally submitted.

## W - WITHDRAWAL

There are two (2) types of withdrawals. One is the withdrawal from a course (s) and the other is a withdrawal from the University (withdrawal from all courses). The withdrawal period commence the first day of the semester and ends approximately eleven (11) weeks after the start of the semester. The final withdrawal date is printed in the Schedule Booklet and on the Web. A grade of “W” will be printed on the student’s academic records (read information regarding withdrawal in this handbook).

## WITHDRAWAL FROM A COURSE

A student may withdraw from a course from the first date of the semester until approximately eleven (11) weeks after the start of the semester. A grade of “W,” is documented on the transcript indicating official withdrawal from the course. The exact dates governing withdrawal from a course appear in the University Calendar and on the web. Students may obtain the Withdrawal Forms from the Office of Records and Registration and the form must be returned of the office by the official deadline for processing.

## WITHDRAWAL FROM THE UNIVERSITY

A student withdrawing from all courses must complete the Withdrawal from University Form. A student failing to comply with this process will receive grades of “F” instead of “W” in all courses. The student must obtain the form from the Office of Record and Registration and obtain the signatures from representative from the following offices: Counseling, Financial Aid, Housing and Residence Life, Public Safety, Library, Business Office, Veterans Affairs (located in the Office of Records) and Records and Registration. The completed form must be returned to the Office of Records and Registration by the official deadline.

## GRADE POINT AVERAGE (GPA)

To compute your GPA for the semester, multiply the credit (quality) hours of the course by the quality points assigned to the grade, add the total credit ((quality) hours, add the total number of quality points, divide the total number of quality points from all courses by the total number of credit (quality) hours which were attempted. The quality points assigned to grades are A=4.00, B=3.00, C=2.00, D=1.00 and F=0. Example below.

Course	Credit Hrs.	Grade	Total Points
Eng.	3 X	A (4.00)	12.00
P.E.	2 X	F (0.00)	0.00
Math	3 X	C (2.00)	6.00
Read	3 X	D (1.00)	3.00
Biol.	4 X	B (3.00)	12.00
Orie.	1 X	A (4.00)	4.00
	16		37.00

The total quality points (37) divided by the total credit hours (16) gives a GPA of 2.31. Quality hours are only associated with courses which receive credit toward graduation. PS, CS, I, W, and NR are not computed.

## ATTENDANCE POLICY

The Institutional Undergraduate Class Attendance Policy (IUCAP) identifies the criterion that governs a grade of AW or FX based on unsatisfactory class attendance.

The instructor determines whether a student absence is excused or unexcused. A student who has unexcused absences exceeding two times the number of lecture hours for a course has surpassed the number of allowable un-excused absences and is in violation of the IUCAP. The instructor is authorized to issue a grade of **AW** (when the un-excused absence occurs within the withdrawal period) or **FX** (when the un-excused absence occurs after the withdrawal period). The Institutional Class Attendance Policy is universal unless an individual class attendance policy permits fewer absences.

The grade of AW or FX is considered official and effective upon receipt of the Grade Notification Form by the Office of Records. Students who receive official grades of AW or FX forfeit the right to withdraw themselves from those classes despite the withdrawal date.

## NOTE:

The Institutional Undergraduate Class Attendance Policy refers to the number of lecture hours, not the number of class meetings. For 3-credit MWF classes, there is equivalence, and the number of allowable un-excused

absences is six (6). For 3-credit TR classes (which meet 75 minutes each day), each class meeting equals **one-and-one-half** lecture hours, and the number of allowable un-excused absences is four (4). For 3-credit evening classes which meet once a week, each class meeting equals **three** lecture hours, and the number of allowable un-excused absences is two.

Each instructor establishes his or her own policy regarding penalties for excessive absence. Class attendance is compulsory for all students at Coppin State University.

### **ACADEMIC DISMISSAL**

If you are on probation for two consecutive semesters, you could be suspended from the University for one semester. This does not include the summer sessions. You may apply for readmission after one semester has elapsed, and if re-admitted, you will be restricted to taking a maximum of 11 credits in that semester. Failure to earn a 2.0 semester average, after being re-admitted, will result in permanent dismissal from the University.

### **UPDATING THE ACADEMIC RECORD**

Have you moved??? If so, please fill out the Change of Address Form in the Record's Office, Room 143, Miles W. Connor Administration Building.

## **COPPIN STATE UNIVERSITY**

### **POLICY ON DESTRUCTIVE STUDENT GROUPS**

Coppin State University encourages the formation and continued existence of student organizations and clubs, which provide students with the opportunity to participate in their educational experience beyond the classroom. In making this opportunity available to the student population, Coppin has the obligation to ensure the fundamental rights of individual members of the groups. Accordingly, Coppin prohibits individuals or the groups collectively from engaging in verbal or physical abuse, threats, intimidation, harassment, coercion and/or other conduct which threatens or endangers the mental or physical health or safety of any person, or which destroys public or private property, for the purpose of recruitment, initiations, decision into, affiliation with, or as a condition for continued membership in a group or organization, including but not limited to acts of hazing which are prohibited by law.

Violations of the policy will result in withdrawal of the organization's charter and/or institutional recognition for un-chartered groups and will subject individuals who engage in prohibited behaviors to the disciplinary procedures set forth in the Student Code of Conduct.

### **DEFINITION OF DESTRUCTIVE GROUPS?**

A destructive group (cult-like) is a group with a hidden agenda of power which is achieved by deceptive recruitment and control over the minds and lives of its members.

### **THE CHARACTERISTICS OF DESTRUCTIVE GROUPS**

As a general rule, be aware that every destructive group can be defined as a group having all of the following five (5) characteristics:

1. It believes 'the end justifies the means' in order to solicit funds and recruit people and therefore uses deception, manipulation, and high pressure tactics when recruiting.
2. It creates a comprehensive environment and lifestyle that occupy the entire person's attention, monitors activities such as eating and sleeping, and defines all activities by absolute principles.
3. It forms an elitist totalitarian society and promotes an "us vs. them" mentality.
4. Its charismatic founder/leader (usually living) is self-appointed, dogmatic, messianic, and not accountable. He/She makes the rest

of the group center around him/her and /or perhaps a combination of belief and practices defined within a book, manifesto, or doctrine or “revealed word” which is given precedence over personal experience.

5. Its wealth does not benefit its members or society.

### **RECRUITMENT PRACTICES**

All organizations have some form of recruitment and destructive groups are no exception. How the recruitment is carried out will differ from group to group (some requiring all members to bring a new ‘friend’ to each meeting, others allowing only a few selected people to bring new members), but the tactics will seldom change. You need to watch for people who:

- ✓ Attempt to coerce you through guilt or fear.
- ✓ Are excessively or inappropriately friendly.
- ✓ Offer easy solutions to problems, your own or societies.
- ✓ Offer invitations to free meals, lectures or workshops, not clearly stating why the group is meeting and/or who will be there.
- ✓ Pressures you through peer pressure (“everyone else is doing it”).

These destructive groups may have specific criteria for members involving gender, race, ethnicity, etc. but all attempt to recruit people who are:

- ✓ Any age
- ✓ Economically advantaged
- ✓ Idealistic
- ✓ Intellectually or spiritually curious
- ✓ Intelligent
- ✓ Respected in the community
- ✓ Well educated

### **IF YOU ARE APPROACHED BY A DESTRUCTIVE GROUP OR A REPRESENTATIVE**

1. Don’t be afraid to ask specific questions, be skeptical and don’t accept evasive answers.

2. Take a stand! Learn to say no!
3. Get support from residence hall administrators on how to protect your privacy.
4. Examine yourself; are you vulnerable? Get the support and help you need!
5. Resist their efforts to isolate you. Stay in touch with family and Friends.
6. Consider whether or not you can get an accurate or clear picture of a group before attending a meeting.
7. Tell residence hall or campus staff about overzealous recruiters.

STUDENT CODE**

## **PREFACE :**

Coppin State University is a community where people of diverse backgrounds and philosophy live in harmony, accept personal responsibility for their actions, and respect the rights of others. In order for this community to thrive, tenets of behavior must be strongly valued and clearly understood. To accomplish these goals, the University must require certain standards of behavior. The University standards of conduct do not replace or relieve the requirements of civil or criminal law. Throughout this document, your rights and your responsibilities as a member of the Coppin Community will be described. Your first responsibility as a member of this community is to read this document carefully and to full understand what is expected of you as a member of this community.

The Student Code is based on respect of others, the environment, the mission of the University, and the rights and responsibilities of community membership. The cornerstone of the Student Code is consideration and responsibility. Students are expected to respect the rights of all members of the University Community. In order to protect the rights, the following policies have been established together with the sanctions which are likely to be imposed in the event that a violation is found by the appropriate university official or duly authorized Judicial Board. You are expected to become familiar with the policies, take responsibility for your actions, be sensitive to and considerate of those around you. Being a member of the Coppin State University Community is a privilege which carries with it responsibility for upholding this Code. All students are accountable for their behavior and shall not behave in a manner which infringes on individual or group rights or jeopardizes the health, safety of individuals or property.

  2. University disciplinary proceedings may be instituted against a student charged with violation of a law which is also a violation of this Student Code; for example, if both violations result from the same factual situation, without regard to the pendency of civil litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.
  3. When a student is charged by federal, state or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before judicial body under the Student Code however, the University may advise off-campus authorities of the existence of the Student Code and of how such matters will be handled internally within the University community.

The University will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

## **ARTICLE IV - JUDICIAL POLICIES**

### **A. CHARGES AND HEARINGS**

1. Any member of the University community may file charges against any student for misconduct under this Code. Charges shall be prepared in writing, and directed to the Judicial Advisor responsible for the administration of the University judicial system. Any charge should be submitted as soon as possible after the event takes place.
2. The Judicial Advisor may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Judicial Advisor. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed of by mutual consent, the Judicial Advisor may later serve in the same matter as the judicial body or a member thereof.
3. All charges shall be presented to the accused student in written form. A time shall be set for a hearing, not less than five nor more than fifteen calendar days after the student has been notified. Maximum time limits for scheduling of hearing may be extended at the discretion of the Judicial Advisor.
4. Hearings shall be conducted by a judicial body according to the following guidelines:

- a. Admission of any person other than the accused student, to the hearing shall be at the discretion of the judicial body and/or its Judicial Advisor.
- b. In hearings involving more than one accused student, the chairperson of the judicial body, in his or her discretion, may permit the hearings concerning each student to be conducted separately.
- c. The complainant and the accused have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney. Nevertheless, the complainant and/or the accused is responsible for presenting his or her own case by calling witnesses, cross-examining witnesses, presenting written documents and making opening and closing statements. An advisor present at a hearing before a judicial body is permitted to advise his or her client as to what, if any, statements should be made before the judicial body. However, an advisor is not permitted to cross-examine witnesses, present documentary evidence or make opening and closing statements.
- d. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by a judicial body at the discretion of the chairperson.
- e. All procedural questions are subject to the final decision of the chairperson of the judicial body.
- f. After the hearing, the judicial body shall determine (by majority vote if the judicial body consists of more than one person) whether the student has violated each section of the Student Code which he/she is charged with violating.
- g. The judicial body's determination shall be made on the basis of whether it is more likely than not that the accused student violated the Student Code.

5. There shall be a single verbatim record, such as a tape recording, of all hearings before a judicial body. The record shall be the property of the University.

6. Except in the case of a student charged with failing to obey the summons of a judicial body or University official, no student may be found to have violated the Student Code solely because the student failed to appear before a judicial body. In all cases, the evidence in support of the charges shall be presented and considered.

## B. SANCTIONS

1. The following sanctions may be imposed upon any student found to have violated the Student Code.

a. **Warning**-A notice in writing to the student that the student is violating or has violated institutional regulations.

b. **Probation**-A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.

c. **Loss of Privileges**-Denial of specified privileges for a designated period of time.

d. **Fines**-Previously established and published fines may be imposed.

e. **Restitution**-Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

f. **Discretionary Sanctions**-Work assignments, service to the University or other related discretionary assignments (such

assignments must have the prior approval of Judicial Advisor).

g. **Residence Hall Suspension**-Separation of the student from the residence hall for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

h. **Residence Hall Expulsion**-Permanent separation of the student from the residence hall.

i. **University Suspension**-Separation of the student from the University for a definite period of time, after which the student is eligible to return. Conditions for re-admission may be specified.

j. **University Expulsion**-Permanent separation of the student from the University.

2. More than one of the sanctions listed above may be imposed for any single violation.

a. Any student who is convicted in any state or federal court, or found responsible in any campus judicial proceeding, of rioting, assault, theft, vandalism, arson, or breach of the peace, provided such misconduct was related directly or indirectly to University sponsored activities, including athletic events, may be expelled from the University.

3. Other than University expulsion, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's confidential record. Upon graduation, the student's confidential record may be expunged of disciplinary actions other than University suspension or University expulsion, upon application to the Judicial Advisor. Cases involving the imposition of sanctions other than University suspension or University expulsion

shall be expunged from the student's confidential record five (5) years after final disposition of the case.

4. The following sanctions may be imposed upon groups or organizations:
  - a. Those sanctions listed above in Section B1, a through e.
  - b. Deactivation-Loss of all privileges, including University recognition, for a specified period of time.
5. In each case in which a judicial body determines that a student has violated the Student Code, the sanctions(s) shall be determined and imposed by the Judicial Advisor.

#### C. **INTERIM SUSPENSION**

In certain circumstances, the Vice President for Student Life, or a designee, may impose a University or residence-hall suspension prior to the hearing before a judicial body.

1. Interim suspension may be imposed only: a) to ensure the safety and well-being of members of the University community or preservation of University property; b) to ensure the student's own physical or emotional safety and well-being; or c) if the student posed a definite threat of disruption of or interference with the normal operations of the University.
2. During the interim suspension, students shall be denied access to the residence hall and/or to the campus (including classes) and/or all other University activities or privileges for which the student might otherwise be eligible, as the Vice President for Student Life or the Judicial Advisor may determine to be appropriate.

#### D. **APPEALS**

1. A decision reached by the judicial body or a sanction imposed by the Judicial Advisor may be appealed by accused students or complainants to the Vice President for Student Life within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Vice President for Student Life.
2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:
  - a. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that a Student Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a rebuttal of those allegations.
  - b. To determine whether the decision reached regarding the accused student was based on substantial evidence; that is, whether the facts in the case were sufficient to establish that a violation of the Student Code occurred.
  - c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
  - d. To consider new evidence, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such evidence and/or facts

were not known to the person appealing at the time of the original hearing.

3. If an appeal is upheld by the Vice President for Student Life, the matter shall be remanded to the original judicial body and Judicial Advisor for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s).
4. In cases involving appeals by students accused of violating the Student Code, review of the sanction by the Vice President for Student Life may not result in more severe sanction(s) for the accused student. Instead, following an appeal, the Vice President for Student Life may, upon review of the case, reduce, but not increase, the sanctions imposed by the Judicial Advisor.
5. In cases involving appeals by persons other than students accused of violating the Student Code, the Vice President for Student Life may, upon review of the case, reduce or increase the sanctions imposed by the Judicial Advisor or remand the case to the original judicial body and Judicial Advisor.

## **STUDENT GRIEVANCE PROCEDURES**

### **PREAMBLE**

Coppin State University ("Coppin") recognizes that differences of opinion, complaints or grievances may arise between its students, faculty, and staff. It is the responsibility of all Coppin students, faculty and staff to establish

and maintain an educational environment within which a problem or complaint by a student can be promptly identified, presented, discussed, given fair and timely consideration and successfully resolved.

In many instances, complaints can be successfully resolved informally through meaningful dialogue between the student and the other individuals involved. In addition, or as an alternative means, complaints can also be successfully resolved formally through the use of the grievance procedures outlined below.

Any Coppin State University student shall have the right to make known a problem or complaint without fear of reprisal or coercion. Complaints by students arising out of allegations of inappropriate, unlawful, or unauthorized behavior by Coppin staff or faculty (including, but not limited to, discrimination, intimidation, and verbal, or physical abuse) may be brought to the attention of the University for resolution through the grievance procedures outlined below.

The term "student" shall mean any person currently enrolled in a course or courses at Coppin State University, either full-time or part-time.

### **ARTICLE I**

#### **Section A. Grievable Matters**

A grievance shall be defined as any cause of complaint arising between a student and a Coppin faculty or staff member on a matter concerning an alleged act or acts of inappropriate, unlawful or unauthorized conduct by a faculty or staff member such as unlawful discrimination, intimidation, verbal abuse, physical abuse or the improper application or interpretation of Coppin policies and rules over which Coppin has control. Notwithstanding the above, complaints concerning student academic matters are grievable under procedures entitled "Student Academic Due Process", and complaints of sexual harassment are grievable under the separate procedures entitled "Coppin State University Grievance Procedures for Complaints of Sexual Harassment".

#### **Section B. Separate Procedures for Filing Complaints**

## **Of Sexual Harassment**

The sexual harassment of a student by a faculty or staff member at Coppin State University is expressly prohibited by the Coppin State University Policy Prohibiting Sexual Harassment. Copies of this Policy and the Coppin State University Grievance Procedures for Complaints of Sexual Harassment may be obtained from the Office for Student Life. As stated in the Policy, a student may choose to process a complaint of an incident of sexual harassment informally through participation in a confidential investigation conducted by the University's Affirmative Action Officer. A student wishing to process a complaint of sexual harassment informally should refer to the procedures contained in Section I.A. of the Coppin State University Policy Prohibiting Sexual Harassment.

Subsequent to participation in an informal process or as an alternative to processing a complaint informally, a student may also process a complaint of an incident of sexual harassment formally by using the Coppin State University Grievance Procedures for Complaints of Sexual Harassment.

### **Section C. Non-Grievable Matters**

Notwithstanding Section A, no complaint shall be reviewed under these procedures if the complaint requests to overturn or to change:

1. An official policy, regulation, or procedure of Coppin or the University System of Maryland (USM).
2. An official decision or action by the Board of Regents, the Chancellor, or the President of Coppin.
3. Any matter the remedy for which would contravene or interfere with any such official policy, regulation, procedure, decision, or action.

No decision can be rendered at any level of these grievance procedures if the decision conflicts with or modifies:

1. A policy approved by the Board of Regents of the University of Maryland System.

2. Applicable statutes.
3. An administrative regulation issued under appropriate statute.

## **ARTICLE II: Grievance Procedures**

### **Section A. Purpose**

A conference or hearing conducted pursuant to these grievance procedures is not an adversarial proceeding between the Grievant and the person who is alleged to have participated in the misconduct. The purpose of a conference or hearing conducted pursuant to these grievance procedures is to fully inform Coppin of the nature and truth of the alleged misconduct so that Coppin can promptly and fairly decide how the grievance shall be resolved and what, if any, discipline is appropriate.

### **Section B. Timely Grievances**

A grievance must be brought to the attention of the Associate Vice President for Student Life within twenty (20) calendar days of the alleged misconduct or within twenty (20) calendar days of the student having reasonable knowledge of the alleged misconduct.

The decision of the President shall be the final decision.

**POLICY PROHIBITING  
SEXUAL HARASSMENT AND  
PROCEDURES FOR COMPLAINTS OF  
SEXUAL HARASSMENT**

**PRESIDENT'S STATEMENT**

One would hope that by this time in our society a document such as this would not be necessary; unfortunately, it is. In too many places - in too many offices, factories, and stores - here in Baltimore, in Maryland, and across this country, women are still being discriminated against in hiring and promotion and still being harassed in the work place, still being forced to listen to someone's poor idea of a joke or tolerate someone's sexually suggestive remarks. But such behavior does not affect only women; men, too, may be and have been subjected to sexual harassment. Whoever is the recipient, the behavior is reprehensible in any work place, and it demeans the employer-employee relationship and degrades the worker seeking to find dignity in labor and reward for work done. In the University community, sexual harassment corrupts the teacher-student relationship, the very essence of the institution's being, and degrades the student seeking intellectual growth in learning and recognition for academic achievement. Wherever it occurs, sexual harassment diminishes the human worth not only of the victim but also of the perpetrator. Let us all resolve to eliminate it from our lives both on and off this campus.

**I. INTRODUCTION**

Sexual harassment by any member of the University community is expressly prohibited. The Coppin State University - Policy Prohibiting Sexual Harassment, are available in each Departmental office, and on reserve at the University's Library.

As set forth in the Policy, both informal and formal procedures for resolving a complaint of sexual harassment are available for use by employees, students, faculty and volunteers of Coppin State University. Students include, full, part-time and students who are currently enrolled at Coppin State University. For purposes of these procedures, the Complainant is the person filing the Complaint. The Respondent is the person who is accused of violating this policy.

**II. POLICY**

Sexual harassment is a form of illegal gender discrimination. Sexual harassment is an infringement on an individual's right to work and study in an environment free from unwanted sexual attention and sexual pressure of any kind. Sexual harassment by Coppin faculty, staff, and students is expressly prohibited. Coppin State University is committed to maintaining a working and academic environment in which faculty, staff, and students

can develop intellectually and professionally, free from intimidation, fear, coercion and reprisal.

Sexual harassment may take many forms, ranging from leering and lewd comments and gestures, to unwanted touching, and rape. Sexual harassment occurs when unwelcome sexual advances or unwelcome requests for sexual favors are demanded in exchange for grades/promotions/favorable reports/or other benefits. Sexual harassment may occur between persons of the same or different genders.

In order to deter sexual harassment at Coppin and to impose sanctions when it occurs, a policy applicable to sexual harassment is in effect. In determining whether alleged conduct constitutes sexual harassment, Coppin will look at the record as a whole and at the totality of the circumstances, such as the nature of the sexual advances and context in which the alleged incidents occurred. The determination of the legality of a particular action will be made from all of the facts, on a case by case basis. In assessing whether a particular act constitutes sexual harassment forbidden under this policy, the standard shall be the perspective of a reasonable person within the Coppin community. The rules of common sense and reason shall prevail.

Sanctions against Coppin faculty and staff for sexual harassment may range from reprimand to termination, depending on the severity of the conduct and the circumstances of the particular case. Likewise, sanctions against Coppin students for sexual harassment may include suspension or expulsion from Coppin programs.

Allegations of sexual harassment are extremely serious, with potential for great harm to all persons if ill-conceived or without foundation. Coppin is committed to protecting the rights of the alleged harasser as well as the complainant. Coppin is also committed to protecting the subject of sexual harassment from retaliation.

Retaliation by University faculty, staff and students against a person who makes a complaint of sexual harassment, supports a complaint of sexual harassment or testifies during an investigation of a complaint of sexual harassment is expressly prohibited. If an individual is found to have engaged in retaliation in violation of this Policy, he or she will be subject to disciplinary action. Any individual who has been a victim of sexual harassment or retaliation shall immediately report such conduct to the Director of Affirmative Action.

### **III. DEFINITION**

For the purpose of this policy, Coppin adapts to the academic setting the sexual harassment definition promulgated by the United States Equal Employment Opportunity Commission (29 C.F.R. 1604). Unwelcome sexual advances, unwelcome requests for sexual favors, and other behavior of a sexual nature constitute sexual harassment when:

- A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment by Coppin or an individual's participation in a Coppin program; or
- B. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual;
- C. Such conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance, or of creating an intimidating, hostile, or offensive educational or working environment at the University.

### **IV. LEGAL REMEDIES**

Sexual harassment is defined in this policy as an illegal form of gender discrimination. Sexual harassment is prohibited by both State and Federal laws, and may constitute violations of the criminal and civil laws of Maryland and the United States. Complaints of sexual harassment may be processed internally through informal or formal procedures. Complaints may also be processed externally by the U.S. Equal Employment Opportunity Commission, the U. S. Department of Education, (Office for Civil Rights), and the Maryland Commission on Human Relations.

#### **A. INFORMAL PROCEDURES FOR RESOLVING COMPLAINTS OF SEXUAL HARASSMENT**

A complaint of an incident of sexual harassment may be reported to any Coppin State staff or faculty member, including the complainant's supervisor, department/division Head, Dean, or any other University administrator. Any Coppin employee who receives a report of sexual harassment must immediately notify the Director of Affirmative Action of the Complaint. The Director of Affirmative Action shall promptly contact

and inform the Complainant of the University's Policy prohibiting sexual harassment and of the informal and formal procedures available to resolve a complaint of sexual harassment. Complainants, Respondents, witnesses and all persons involved in making, investigating, or resolving a complaint of sexual harassment shall use their best efforts to keep confidential all information relating to a complaint.

Upon receipt of a complaint of sexual harassment, the Director of Affirmative Action shall within one (1) week conduct a confidential investigation which will include a discussion with the Complainant, the Respondent and any witnesses as well as consultation with the University's attorney. While a complaint signed by the Complainant is not required to initiate an investigation, the Complainant is strongly encouraged to file a written and signed complaint with the Director of Affirmative Action.

After the conclusion of the investigation, the Director of Affirmative Action will make reasonable efforts to informally resolve the complaint to the satisfaction of the University, the Complainant, and the Respondent.

of Affirmative Action shall within fifteen (15) days of receipt of a formal Complaint conduct and conclude a confidential investigation which will include a discussion with the Complainant, the Respondent and any witnesses as well as the collection of all relevant documents.

Upon receipt of the Appeal, the President shall appoint an Appeals Committee consisting of three (3) members from the Sexual Harassment Panel. No member of the Appeals Committee may have served as an investigator, witness, or party to the sexual harassment Complaint.

The Appeals Committee shall conduct within fifteen (15) days of receipt of the Appeal a hearing to determine whether the facts alleged occurred and whether the conduct which occurred constitutes sexual harassment prohibited by the University. The Appellant and Appellee shall present opening and closing statements, call and cross-examine witnesses, and introduce documentary evidence. The final decision will be mailed to the Appellant, the Appellee and the members of the Appeals Committee.
