Good morning and welcome to Coppin State University,

To the Robinson family, Governor O'Malley, Senator Mikulski, Mayor Rawlings-Blake, other Elected Officials, dignitaries, and members of the national, state and local law enforcement community and friends..... as President of Coppin State University it is my privilege to host today's memorial service for Bishop L. Among the many tributes that will be mentioned today to honor this great man and pioneer of public safety, we at Coppin State University are proud to remember Bishop L. Robinson as a distinguished alumnus whose illustrious law enforcement legacy will be immortalized through Coppin's Criminal Justice Institute which bears his name.

His life touched and protected others and will live on forever.
