THE SEVIS FEE

The Student and Exchange Visitor Information System (SEVIS) is a U.S. government system that manages data and application processes for F-1 non-immigrants in the United States. If you are beginning a new program in the U.S., you are required to pay a one-time fee before you may obtain an F-1 visa and enter the United States. The SEVIS fee is in addition to any visa fees you may be required to pay at a U.S. consulate. F-2 dependent family members are not required to pay the fee. This fee is not a University fee and provides no funds or services to the University.

Fee Payment

- Fee payment information can be found on the U.S. Immigration and Customs Enforcement web page.
- Payment and receipt of the fee must be made before a visa can be issued by a U.S. consulate and entry to the U.S.
- Payment of the fee must be made at least 3 business days prior to making an application for an F-1 visa at a U.S. consulate.
- Citizens of Canada and certain islands exempt from visa requirements must pay the fee at least 3 business days prior to entering the U.S. at a U.S. port of entry.
- The fee cannot be paid at a U.S. consulate or at a U.S. port of entry. (Note: Some consulates in China and India may be able to collect the SEVIS fee together with visa fees. Please contact the U.S. consulate for fee payment information.)
