EXTENSION OF PROGRAM

If you are not able to finish your degree program by the end date noted on your I-20 (F-1) you can request an extension of your program. The length of time allowed for an extension is based on the recommendation of your academic Advisor.

Deadline for Extensions

An extension of your I-20 must be completed before the end date of the document. If your I-20 expires while you are still a student, you will be considered in violation of your status.

Application Instructions
1. Complete the Extension of Program form and print it out.
2. Have your academic Advisor sign the Extension of Program form
3. Attach proof of funding as instructed on the form (the requirements are different for F-1 students).
4. Turn in the Extension of Program form to International Student Services Office. If your request for an extension is approved, a new I-20 will be ready for you in three business days. If important information is missing, or if there is any problem with your request, we will contact you within three business days.
