 - 3. The availability of time to participate in a professional development opportunity is within the discretion of the Institution.

4. While actively participating in such a program, employees are entitled to full salary, continued participation in the appropriate retirement system, and receipt of all other employee benefits for which they are eligible. Holidays will be observed consistent with institution policy.
5. If the appropriate employee development program is available within the USM, the employee shall pursue the program at the USM institution. If it is not available within the USM, prior approval is needed from the institution CHRO before the employee may be permitted to utilize paid work release under this policy at a non-USM institution.
6. Whenever a mid-term or semester break in the employee's professional development program exceeds 10 work days, the employee may be required to report for duty at their department or unit.

1. The President or designee may approve a leave of absence with Pay for an exempt employee to pursue advanced instruction or other approved plan of development for a period of up to six (6) months.
 - a. An approved leave will assure the employee of return to the position.
 - b. Tuition, travel and all other costs for the professional development plan will be paid by the participant.
2. An employee who requests leave with pay for professional development must sign a written agreement in which the employee agrees to return to the institution immediately upon completion of the leave and serve as a full-time employee for twelve (12) months thereafter.

 - ii. Upon request of the department or unit head, the President or designee may waive the graduate education requirement upon a determination that the program is vital to the operation of the department or unit and in the best interests of the institution.

1. The loan will be reduced at the rate of one month for each three months of service completed after satisfactory completion of the program.
2. If the employee resigns from his/her position prior to the completion of the obligated service, the unpaid balance of the loan will be due and paid to the Institution.
3. If the employee is involuntarily separated, or if in the judgment of the President or designee the separation of an employee is the result of adverse, unforeseen, or extenuating circumstances that impose undue personal hardship, the President or designee may release the employee from the balance due on the loan.

IV. INSTITUTION PROFESSIONAL DEVELOPMENT

An institution periodically may offer professional development training programs to employees for which part-time work release is permitted, as follows:
