

Quarterly Higher Education Emergency Student Relief Fund (HEERF) Report

Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) and American Rescue Plan (ARP)

Award No: P425E202187 OPEID No: 00206800

Report Date: January 10, 2022 Reporting Period: Through December 31, 2021

Under CRRSAA and ARP (a)(1) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making financial aid grants to students, the University must prioritize grants to students with exceptional need. Coppin State University (CSU) has signed and returned to the Certification and Agreement and the assurance that the institution has used applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.

For CRRSAA funds, CSU recognized that all students enrolled as of the award date of CRRSAA (May 14, 2021) were affected by the COVID-19 pandemic and therefore provided a pre-determined amount to all eligible students based on credit load status. Full time students received \$840 and part-time students received \$445. 100% of funds awarded under CRRSAA were disbursed to students as of June 30, 2021.

For ARP funds, the University instituted a Student Economic Financial Hardship Application process from August 2021 through October 2021. The process required students to complete an application to the Bursar's office by emailing the form to bursar@coppin.edu or mailing the form to the University. Students may have been required to provide supporting documentation for requests beyond outstanding tuition and fees. Examples of additional documentation may have included, but was not limited to, copy of utility cutoff notice, eviction notices, etc. The amount awarded to students was based on the decision of the review committee. Announcement of available emergency funds was posted via CSU's website. The Bursar's office also sent a communication via email to all students regarding the availability of these funds. In addition, an announcement flyer, as well as the Student Economic Financial Hardship Assistance Application was available via CSU's website. As of the date of the report, CSU disbursed \$62,689 to students with proven economic hardships.
